~~~~~~

Because of the length of the ride, the number of riders and the varying road conditions, we ask that the following rules be followed:

- All riders between the ages 12 – 17 must have parent/adult guardian sign the waiver. Otherwise a valid driver's license is required.
- All riders must register prior to the start of the ride
- All riders must sign a waiver of liability before starting the ride
- Leave room for traffic to pass - space out a little every 3-4 tractors
- Use common sense - no passing on blind corners on the gravel
- Follow posted signs on the highway
- Obey traffic laws - no alcohol, stop at stop signs, etc.
- One rider per tractor, unless there are multiple seats or an approved trailer with seats attached to tractor; each rider whether tractor driver or rider must pay registration fee and sign waiver.
- We ask that everyone have a good time and be courteous of fellow riders and traffic that is encountered.
- If you're traveling alone, please leave an emergency contact number with a fellow rider in the event of an emergency.
- Several riders carry tow chains in case your tractor can't make it back under its own power...
